NSFDC/MIS/ 2021

Date: 05.10.2021

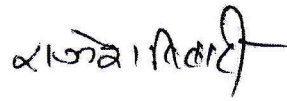

CIRCULAR

During a recent review meeting, it was observed by the Competent Authority that Mobile No. and Aadhar No. were not provided in the UCs. It was further noted that many SCAs are not providing UCs in soft copy. The requisite information is essential for various monitoring, analytics and decision making processes by the management.

2. Accordingly, the Projects Deptt., while receiving the Utilization details (UCs) from the SCAs, PSB, RRBs and other Channel Partners must ensure that:
 - (i) UC is received in soft copy in a uniform format,
 - (ii) The UC should include Aadhar Number, Mobile Number and bank details of the beneficiaries,
 - (iii) All the UCs for the year 2021-22 to be obtained for depository of Beneficiaries Data in digital form.
3. The MIS & IT Cell, before uploading the data in the Beneficiaries Tracing System, also ensure the above.

This is being issued with the approval of the Competent Authority.
